

It's the most wonderful time of the year

But for the one making it happen, the holiday stress is real.
"We can help!" says Amy, owner of Sparkling House Service.
"I have been in the business for more than 14 years."

Clients ask for extra help in many different ways each holiday season...so we've put together a list of services we can provide to help you take the edge off!!

Decorate a clean surface – There's no better feeling than decorating your house for the holidays without having to worry about cleaning the house first. "We can come in and handle all the not-so-fun cleaning than your family can enjoy a peaceful day decorating the tree and hanging the stockings."

Host the holidays stress-free – You have a never-ending to do list you need to complete before the big day.
Call Sparkling House Service and tell them where you need help. Clean the oven and the fridge? The list is up to you. You'll gain an entire day back by letting Sparkling House Service's do the dirty work.

Organize toys before Santa – Get organized before Santa brings the latest and greatest round of toys. "We can organize rooms and make sure everything has a place...and donating old, unused toys is a great way to give back during this season of giving!"

Hosting overnight guests – If you have a room that hasn't been cleaned in some time, Sparkling House Service can come in and tidy up, making the room fresh and inviting. They'll even take care of cleaning the fan and chasing the dust bunnies from the blinds and out from under the bed.

Post holiday cleanup – When the holidays are said and done, it's always hard to get motivated to put away all the decorations and get rid of the many Christmas tree needles that have been pushed around the house.
This might be the perfect time to try a Sparkling House Service one time deep clean!

From the Sparkling House Service to yours,
have a wonderful holiday season and a blessed New Year!
